A black metal railing separates the road from the lake. A black lamppost with a blue flag is also visible. The lake is surrounded by lush green trees, and the sky is clear and blue.

Historical Fundraising Momentum

Putting together the information for this edition of the University of Maine Foundation annual report has been a very gratifying process. We have some strong results to share. First, we are happy to announce an all-time University of Maine and University of Maine System record fundraising year with over \$43.5 million raised to benefit UMaine. These statistics represent more resources available to support excellence for our students and the broader campus community.

In August of this year, we welcomed about 500 people in-person and over 900 people online to share the grand opening celebration of the \$78 million E. James and Eileen P. Ferland Engineering Education and Design Center, the largest capital project in the University of Maine's history. The project was brought together with support from over 500 donors and a \$50 million investment from the State of Maine.

In July 2021, we announced a change to our giving year calendar. Beginning on January 1, 2023 we will switch from a June 30 to July 1 calendar to a January 1 to December 31 calendar. This is something that many of you have requested so that your giving records line up with the tax year.

In September 2021, we launched an additional executive club in the Bangor Region. About 75 alumni and friends joined us at the newly expanded Zillman Art Museum for the initial event. This was one of our first in-person events since the beginning of the pandemic. We now host executive club meetings twice a year in Boston, Portland, MDI, and the Bangor region.

Our planned giving team is working with donors who are taking advantage of the government's recently increased annuity rates. Available in most states, this program allows donors to have a guaranteed income stream while also supporting the University.

On May 21 of this year, we happily hosted the first Stillwater Society dinner since the pandemic. We honored three donors — Trish Riley, Matt Rodrigue, and Dana Humphrey — with the distinguished Stillwater Award in recognition of their dedication to UMaine.

Efforts to fulfill the matching gift requirements of the Harold Alfond Foundation's transformational \$240 million grant to the University of Maine System continue with great momentum.

Throughout the year we have thanked many donors for gifts of all sizes dedicated to making the University of Maine stronger in every way. We cannot thank you enough for your continued commitment to our efforts. Our record-breaking fundraising would not be possible without your support.

Thank you for everything you do for the University of Maine.

A message from the President of the University of Maine

For nearly 160 years, students from across Maine, the country, and the world have been drawn to the University of Maine's beautiful campuses by our world-class faculty, our core institutional values, and our commitment to community engagement and stewardship. Like you, they know that UMaine can help them along in the journey to becoming who they want to be.

At every level, Black Bears are engaged in creating opportunities for growth, inquiry, and exploration. This happens in classrooms and research laboratories, on athletic fields and performance stages, on the University Mall or in the student union, and through the generosity of our friends and alumni. The power of this collective energy is evidenced by the extraordinary year we have had at the University of Maine.

This spring, we received an R1 designation by the prestigious Carnegie Classification of Institutions of Higher Education. This designation signifies that, by objective measures, the university has achieved "very high research activity" in recent years.

Growth in our research enterprise set new records this year and resulted in \$147.8 million generated from awards and external funding sources. These investments provide critical funding for research, scholarship and innovation in the arts, sciences, and technology that will benefit our state and create a brighter future for the people of Maine.

Thanks to the Harold Alfond Foundation's historic \$240M commitment to the University of Maine System, we have seen transformational changes in both our academic programs and our physical plant. We expanded the Research Learning Experience (RLE) program to create more opportunities for students to engage in world-class research from the moment they first arrive, and we broke ground on a new, state-of-the-art softball facility for the state's only D1 athletics program.

The official opening of the Ferland Engineering Education and Design Center opened a new chapter in engineering education at UMaine with research and teaching labs for mechanical engineering, biomedical engineering, and mechanical engineering technology. The dedication of the Karen L. Boudreau, Esq. Hall allowed for the refurbishment of a beloved historic building.

I would be delighted to see you on campus soon so that I can thank you personally for all that you do for our community, and to share news of our progress and achievements in the coming year.

With much gratitude,

Joan Ferrini-Mundy
President, University of Maine and University of Maine at Machias
Vice Chancellor for Research and Innovation,

Our Journey

As alumni and friends of the University of Maine, we have shared a similar journey from the time we crossed one of the bridges that led us to our first encounter with the University of Maine in Orono.

Although our paths are all quite different, the journey has taken us to this place—one where we have a desire to give back and support the many things we love about the college of our hearts, always. This special place continues to have a hold on us. Generations of us have made a difference for those who have traveled those bridges behind us and generations will continue the journey after us.

As a UMaine student, Rama Kolinjivadi needed some unexpected and very expensive dental treatments that he could not afford. Thankfully, he was able to get the care he required with help from the UMaine Office of International Programs.

Now, almost fifty years later, Rama is paying it forward. “For all these years, I had this feeling of deep appreciation for the help given to me at UMaine,” Rama said, “I knew I had to pay it back somehow.”

Rama and his wife Jeeva had a life insurance policy that they recently decided they no longer needed. They decided to use the policy to do good—specifically, to create an endowed fund to help students with unexpected expenses as Rama was once helped.

On May 21, 2022, three donors were honored with the distinguished Stillwater Award at the Stillwater Society Dinner. Dana Humphrey, Trish Riley, and Matt Rodrigue received the award in recognition of their dedication to UMaine. Dana Humphrey served the University of Maine for over 36 years, retiring in August 2022 after 16 years as the Dean of the College of Engineering. He was a champion for the building of the Ferland Engineering Education and Design Center. First-generation college student, Trish Riley, was elected the first woman Student Government president. She served as a student representative to the Faculty Senate and on the first Task Force on the Status of Women. She also worked to gain students the right to vote in their college town and was a member of All Maine Women. Trish is currently the chair of the Board of Trustees for the University of Maine System. As a student at UMaine, Matt Rodrigue participated in varsity cross country, Student Government, and Sigma Phi Epsilon fraternity. He also served as the Student Trustee for the University of Maine System and was a Senior Skull. Matt has continued to serve UMaine on many committees and boards since graduation.

UMaine senior and Valedictorian, Dominique DiSpirito, lead a very successful Class of 2022 Senior Class Giving program which was celebrated just prior to commencement with a True Blue Toast reception in Buchanan Alumni House. Seniors who made gifts of \$20.22 or more received philanthropy cords and pins to wear at graduation, and became members of UMaine's Loyal M giving society.

CLASSROOM

The E. James and Eileen P. Ferland Engineering Education and Design Center

Upward of 500 people from throughout the country attended the grand opening ceremony for the Ferland Engineering Education and Design Center on August 24, 2022. The late-morning program was followed by a ribbon-cutting and an open house with students and faculty greeting guests on the three floors of the \$78 million facility — the largest project of its kind in UMaine history. This project was made possible with the support from more than 500 donors and a \$50 million investment from the State of Maine. At the top of the donor list were Skowhegan natives Jim and Eileen Ferland. Jim Ferland received a bachelor's degree in mechanical engineering at UMaine in 1964. Additionally, more than 70 UMaine alumni are estimated to have worked on the project in many different capacities.

The Center has been filled with students since classes began on August 29. The building also houses UMaine's new Welcome and STEM Education Center where visitors will begin their own journeys at the University of Maine.

Progress on the Master Athletics Facilities Plan

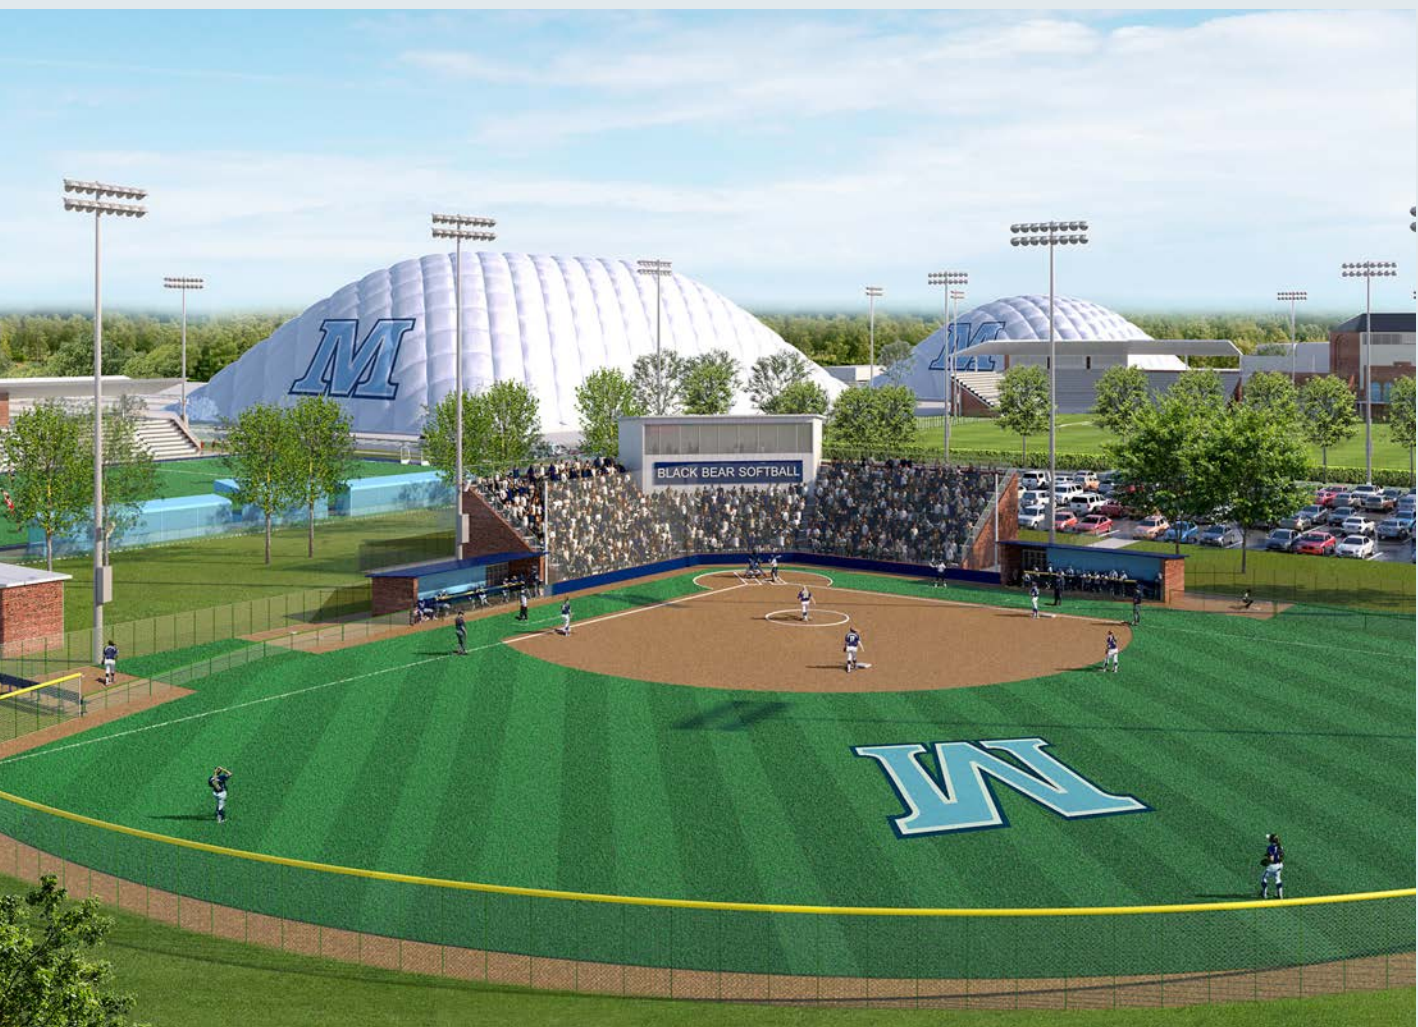

Rod Sparrow, a member of the University of Maine Class of '71, gave a \$1 million gift to support the University of Maine Athletic Facilities Master Plan, part of the UMS TRANSFORMS initiative launched in October 2020 by the Harold Alfond Foundation's \$240 million commitment to the University of Maine System.

The gift will support the football program's capital improvements, including new coaches, team offices, and meeting rooms, and will provide Sparrow with the naming rights to the new office facility.

"I enjoyed the whole experience up at Maine, so I couldn't be happier about making the donation and helping out," Sparrow says.

The University of Maine System Board of Trustees has approved up to \$14 million to implement priority one athletic field improvements to the University of Maine varsity soccer, softball, and field hockey venues, and to continue the planning and design of the UMaine athletics facilities master plan.

Inspiring the next generation

A pledge from University of Maine alumna Karen L. Boudreau and her husband, Thomas Jensen, M.D. renamed North Stevens Hall on campus in honor of the former Brewer, Maine resident and now San Diego-based attorney.

Karen L. Boudreau, Esq. Hall was dedicated on July 14. Those who participated in the ceremony included UMaine President Joan Ferrini-Mundy, prominent Maine Franco-American and former Governor Paul LePage, Susan Pinette, professor and director of Franco American Programs at UMaine; and Gigi Georges, author of the 2021 book “Downeast: Five Maine Girls and the Unseen Story of Rural America.”

Boudreau and Jensen say they hope that naming this building for a Franco-American woman will provide the confidence to women and those of Franco-American heritage to pursue their dreams.

“As a first-generation college student and a Franco-American woman, my path was not easy, particularly when I lived in Maine,” Boudreau says, “I want those

who follow me to understand that regardless of the hurdles put in front of you, success is very achievable if you set clear goals, work hard and seek out great mentors.”

Scholarships for Honors College students

Debra Lipscomb began her journey with UMaine after she married Denham Ward '69 and their participation in the Rochester, NY alumni chapter. In 2022, she left a bequest to be added to the scholarship fund created by her and Denham in 2016. The funds were specifically earmarked to support students in the Honors College, particularly those who are the first in their family to attend college. Additionally, the couple have been generous contributors to the Ferland Center.

Ways of Giving

Cash

Gifts of cash to the Foundation can maximize your charitable deduction and deliver immediate benefits to the University of Maine. Many donors choose to make their cash gifts with a credit card, check, or wire transfer. We invite donors to consider our secure online giving site, umainefoundation.org/give.

Payroll Deduction

UMaine employees may make a gift through payroll deduction. Contact the University of Maine Foundation for a payroll deduction form or download the form at umainefoundation.org/employeeegiving.

Bequests

A provision for the University of Maine Foundation in your will or trust allows for a substantial contribution without diminishing assets during your lifetime. Donors who let us know about plans for bequests or deferred gifts are eligible for membership in the Charles F. Allen Legacy Society. We can work with you to prepare a fund description that will describe how the fund will be administered and reflect special conditions you wish to be included.

Appreciated Securities

A gift of long-term appreciated securities often has at least two advantages: it can provide an income tax deduction equal to the fair market value of the securities and may reduce capital gains tax. It is possible to make a gift using shares of mutual funds, but such gifts typically require more advanced planning, as the transfers take longer.

Real and Tangible Personal Property

A residence, forestland, or other real estate property may be given to the Foundation as an outright gift, or you may prefer to donate your property to the Foundation and retain the right to occupy the property for life. Treasures like valuable antiques, stamp and coin collections, works of art, and other personal property may also be acceptable charitable gifts.

Life Insurance

You may make a gift of life insurance in support of the University of Maine or one of its fundraising partners by naming the Foundation as owner and irrevocable beneficiary of a policy. The gift may be a paid policy, an existing policy with cash value or a new policy.

Retirement Plans

You can name the Foundation as a beneficiary of your retirement plan or tax-sheltered annuity through your plan administrator or explore taking advantage of a qualified charitable distribution from an IRA to save taxes.

Charitable Trusts

There are a variety of ways to create trusts that benefit you and your loved ones as well as UMaine. Choosing the right trust or other planned giving vehicle depends on your age, assets, and many other factors. Our experienced staff can help you.

Charitable Gift Annuity

Through a simple contract, you agree to donate cash, stocks, or other assets to the University of Maine Foundation. In return, you and someone else, if you choose, receive a fixed amount each year for the rest of your lives. The remainder is endowed to support the University of Maine.

Donor-Advised Funds

Donor-advised funds help donors to be actively involved in the granting process to UMaine and other charities. Funds are managed and administered by the Foundation, but the donor advises the Foundation about preferences regarding grant recipients and grant amounts. Donor-advised funds receive the maximum tax benefits, and the donor is not responsible for the tax filings.

The type of gift that is best for you depends on many factors, including your age, health, family and employment situation, assets, and lifestyle choices. Many companies will match your gift, maximizing the impact of your personal philanthropy.

Increasing the Impact of Your Gift to UMaine

Honorary/Memorial Gifts

You can make a gift to the Foundation supporting any area of the University of Maine in memory or honor of a professor, coach, student, relative, or friend. Honorary and memorial gifts are a special way to celebrate a birthday, anniversary, or the graduation of a child, grandchild, or other loved one. Memorial gifts are a thoughtful way to recognize a person's influence and accomplishments while advancing the mission of the University of Maine and helping the students we serve. When you make an honorary or memorial gift, we will (if requested) notify the honoree or next of kin and will administer the gift as you direct.

Corporate Partnerships

Companies large and small are choosing to partner with the University of Maine in ways that are mutually beneficial. Corporate partnerships can involve internships and assistance with recruitment. The naming of laboratories and other facilities brings visibility for the company and also provides an important source of funding for equipment, scholarships, student travel, and other needs.

Recurring Gifts

Many donors choose to make an automatic monthly gift to benefit UMaine using their credit card or another type of electronic fund transfer. This is convenient for donors, can help reduce printing and mailing costs, and can now be set up online, umainefoundation.org/give.

Pledges

A commitment over time allows you to make a significant gift in multiple payments. This can be completed directly through our giving staff or on our online giving form.

Charitable giving often carries significant tax benefits for donors. All gifts to the University of Maine Foundation for UMaine and its fundraising partners are tax-deductible to the extent allowed by law. If you have questions regarding the tax implications of your giving, consult your attorney or financial advisor.

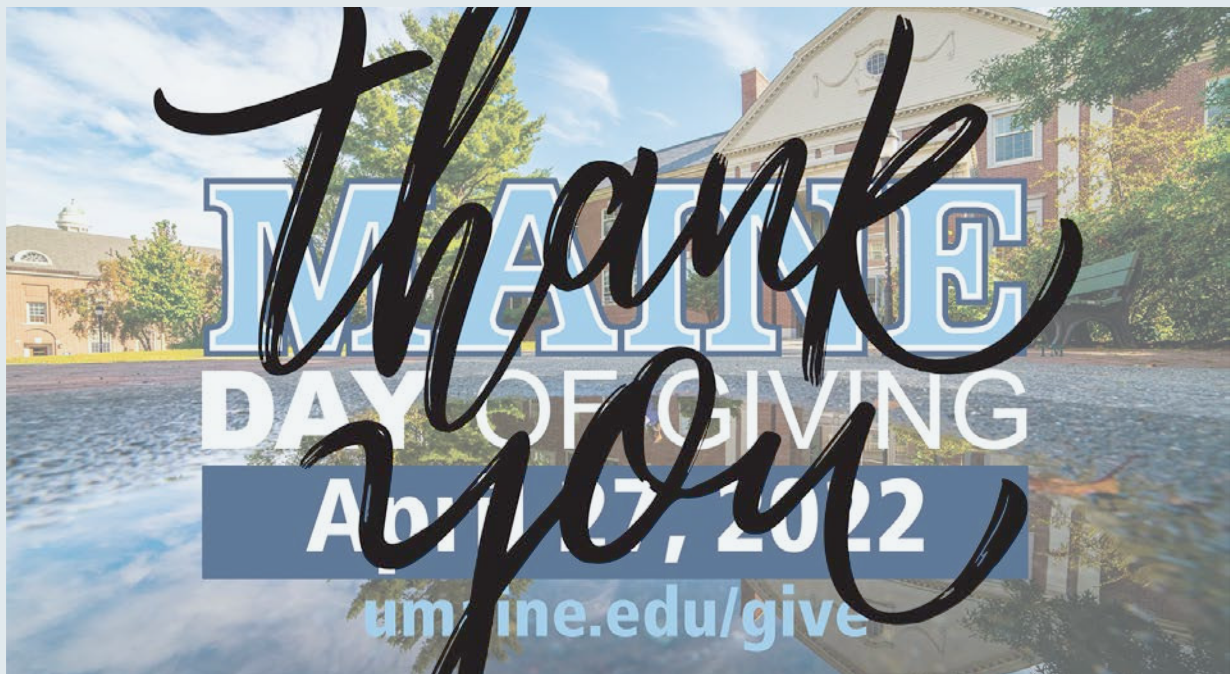

Sample language for remembering the University of Maine in a will or trust:

"I give and bequeath to the UNIVERSITY OF MAINE FOUNDATION for the benefit of the University of Maine, Orono, Maine (possible choices follow):

**the sum of \$ _____; or
_____ percent of my estate; or
the property [described here]

The principal is to be endowed and
only the distributions, as established
by the University of Maine Foundation
Board of Directors, shall be used for
_____."**

The Foundation's Tax Identification Number is 01-6011501.

Giving day continues growth

The annual Maine Day of Giving was held on April 27, 2022. University of Maine alumni and friends near and far united in support of the College of Our Hearts, Always as a way to participate in the traditional Maine Day of service.

More than \$2.5 million in donations lead off the giving, which included multiple matching gift opportunities and new crowdfunding initiatives.

UMaine's crowdfunding website, Fill the Steins, included a dozen featured appeals including one that provided three new saxophones for UMaine bands.

UMaine Athletics launched its first text-to-donate campaign for each sport. All donations to teams were also matched 1:1 with gifts to the Alford Fund by the Harold Alford Foundation. Coach Amy Vachon personally matched \$10,000 in gifts to Women's Basketball.

Maine Day of Giving celebrates philanthropy as an extension of service for UMaine. Overall, the event raised more than \$2.7 million in support of the common goal of excellence at the University of Maine.

The next Maine Day of Giving will be held on April 26, 2023.

Charitable gift annuity rates have increased

Effective July 1, 2022, charitable gift annuity rates have increased.

For those interested in boosting their retirement income while supporting the University of Maine Foundation, a gift annuity may be a serious option to consider.

One Life	
Age	Rate
65	4.8%
70	5.3%
75	6.0%
80	7.0%
85	8.1%
Two Lives

65/70	4.5%
70/75	4.9%
75/80	5.5%
80/85	6.3%

How It Works

The concept is simple. You make a donation using cash, marketable securities or other assets, and we, in turn, pay you, and another person if you choose, a fixed amount for life. With this type of gift, you can feel secure knowing you can count on receiving stable payments for as long as you live, despite market fluctuations.

Here's an Example of How You May Benefit

Mary, 79, transfers \$25,000 in exchange for a charitable gift annuity. She will receive annual payments of \$1,700, reflecting a 6.8% rate.

In addition to the opportunity to increase your retirement income as you endow support for what means the most to you at the University of Maine, gift annuities can offer you numerous tax benefits, including:

- A partial income tax charitable deduction for your gift when you itemize.
- Part of each payment is income tax-free throughout your estimated life expectancy.
- Capital gains tax savings on appreciated property you donate.

The Foundation does not offer gift annuities in all states, but we would be happy to send you a free, no-obligation illustration showing you the benefits of a gift annuity, including your potential income tax charitable deduction and our annual payments to you for life. More details are available on our website.

Giving Societies

The Stillwater Society was created in 2000 to celebrate donors who have given at least \$25,000 to the University of Maine and its partners over the course of their lifetimes. Donors are eligible for the society based on their cumulative outright gifts and irrevocable planned gifts. Some friends and alumni are

members of the Stillwater Society as the result of a single gift; others are members as the result of faithful, longtime support. New members are inducted at a formal recognition dinner and presented with a pin symbolic of their respective level in the Stillwater Society:

Level 1 – \$25,000 – \$99,999

Level 2 – \$100,000 – \$249,999

Level 3 – \$250,000 – \$499,999

Level 4 – \$500,000 – \$999,999

Level 5 – \$1,000,000+

(S will appear after donor name)

The Katahdin Society (the highest level of the Stillwater Society) honors alumni and friends who have given \$1 million or more to benefit the University of Maine. Such exceptional generosity helped ensure UMaine's success for the first 150 years, and will be even more important in the years to come, as costs for a college education continue to rise and the need for exceptional teaching, research and outreach escalates in an increasingly complex and competitive world.

(K will appear after donor name)

The Charles F. Allen Legacy Society, named for the University of Maine's first president, was established in 1995 to recognize and honor alumni and friends who intend to remember the University of Maine or its affiliated organizations by making a bequest or other form of planned or

deferred gift. Such gifts will benefit the university in the years ahead without necessarily requiring that the donor fund the gift at the present time. While the gift is deferred, the benefits of membership in the society begin immediately. If you let us know that you have provided for the University of Maine or its affiliated organizations in your will, trust, pooled life income fund, life insurance policy, gift annuity or retirement fund, you immediately become a full member of the society. Charles F. Allen Legacy Society members receive a membership certificate recognizing their intentions and a lapel pin. Members are also honored at a special event on campus.

(L will appear after donor name)

The President's Club is UMaine's front door to special donor recognition. Members of the President's Club give at least \$1,000 (Alumni 1-5 years from graduation = \$250; Alumni 6-10 years from graduation = \$500) each year to UMaine. President's Club gifts are often made as monthly recurring gifts or annual pledges paid in installments. Gifts can be

unrestricted or designated for a particular need or priority; they may be used for current operations or directed toward an endowment. President's Club members range from recent graduates to Senior Alumni, represent virtually every major, are scattered across the country and share a common commitment to improving the lives of others. President's Club members receive a pin and membership certificate, and are invited to a special brunch during Homecoming Weekend.

(P will appear after donor name)

The Triple Crown of Support This report includes the names of alumni and friends who are truly shaping the future of the University of Maine as members of the Stillwater Society, Charles F. Allen Legacy Society and President's Club. The Triple Crown is a realistic goal for many donors who make philanthropy a priority, plan ahead and thoughtfully consider the many ways of giving. There is no ideal way to make a gift; the timing and nature of your

gifts will depend on your unique circumstances. We encourage donors to work closely with their legal and financial advisors, as well as our fundraising professionals, to determine a path that is mutually beneficial for donors, their loved ones and the University of Maine.

(C will appear after donor name)

The Loyal M Society recognizes UMaine's most faithful philanthropists. Membership is open to donors who have made gifts to benefit UMaine over at least two consecutive fiscal years, regardless of the gift amount, type or purpose. Recurring monthly gifts, set up with a credit card or electronic fund transfer from a checking account, are a convenient way to secure ongoing membership in the Loyal M Society. Membership is noted with the years of consecutive support in parentheses, e.g., (15) denotes that a donor has made gifts to UMaine for 15 consecutive years, including FY22.

(# will appear after donor name.)

(Actual years of consecutive giving may be greater; the count extends back to when the Office of University Development transitioned from paper records to a fundraising database.)

Spending Policy

In managing the General Endowment, the University of Maine Foundation keeps two primary goals in mind: providing a significant and stable flow of funds to support the purpose of the endowed fund, and maintaining the long-term purchasing power of our donors' endowed funds. The Foundation's spending policy is designed to be in accordance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA requires us to ensure the duration and preservation of the endowment fund by appropriating a prudent amount for expenditure from endowment funds within the restrictions of any gift agreements.

Because long-term growth of Foundation endowments is essential to providing stable and meaningful distributions over time, the target spending amount will be 3.25% of the market value of an endowment.

In addition to the general endowment spending rate, an administrative fee of 1.25% is charged to the General Endowment Fund to support the operations of the Foundation.

Annual spending is calculated by applying the percentage to the trailing 12 quarter average market unit value of the General Endowment as of September 30 of each year.

The accompanying endowment funds list in this year's annual report also includes endowments at the University of Maine System, the University of Maine Pulp and Paper Foundation, and the Maine 4-H Foundation, which support the University of Maine.
