Ensuring the Future

As we celebrate the 80th year of the University of Maine Foundation, it is a good time to reflect on the impact made by the most significant gift ever received by the Foundation. That first gift of \$1,000 from the UMaine Class of 1909 was “the gift” which initiated all that has happened through the work of the Foundation for the last eighty years. The foresight of those individuals who wanted to ensure the future of UMaine cannot be overstated. That \$1,000, which is now almost \$220 million in assets—not including the millions of dollars in investment proceeds paid out in scholarships and other support—has made a significant difference for the students, faculty and staff at UMaine.

The actual results of scholarship support are often not documented. In this case they are.

As part of the celebration of its 80th anniversary the Foundation will award six UMaine graduates, one from each of UMaine’s academic colleges, with the President Abram W. Harris Award.

The award was established by President Harris’ grandson Abram “Pete” W. Harris III ’50 and his friend Marion Waterman Meyer ’51 in 2003 and is presented periodically by the University of Maine Foundation. Each awardee was a scholarship recipient as a UMaine student and evidences exemplary and extraordinary leadership, contributions to his or her community and/or service to UMaine—the essence of Dr. Harris’ efforts as the president of the University of Maine from 1893 to 1901.

Reviewing the achievements of the six awardees, it is clear that continued investment in UMaine and its students, faculty and staff through the efforts of the University of Maine Foundation is indeed ensuring the future.

80th Anniversary Matching Gift Program

In celebration of its 80th Anniversary, the University of Maine Foundation offered a 25% matching gift program to encourage gifts to existing endowment funds and the creation of new endowments.

The Foundation matched minimum gifts of \$8,000 with \$2,000 for an endowed fund. The program extended a maximum match of \$20,000 for an \$80,000 gift. Pledges over four years (2014-17) were allowed with all gifts due by December 31, 2017 to qualify for the match.

As a result of the program, \$3 million was raised, 152 donors participated, and 40 new endowments were established.

I was very fortunate to receive scholarship support as an undergraduate student at UMaine and to be able to work on campus to further defray expenses as well. Not only did the financial support make my education more affordable for our family, but it also gave me the ability to enrich my academic program with formative learning experiences abroad and a terrific internship at the Jackson Laboratory doing cancer research. Graduating with no debt was of course a tremendous gift which gave me financial flexibility in choosing my path forward and facilitated my ability to return to graduate school as well. I appreciate the opportunity to give back to UMaine to help ensure that students with financial need continue to have support to pursue their aspirations.

My junior year (1977-78) was a critical year for me, both academically and athletically. Without the scholarship that I received starting that September, 1977, I would not have been able to return to school. The loss of momentum for me as a student and as an athlete with an eye toward a professional football career would have meant the critical difference in fulfilling my dream. I have to thank my head coach, Jack Bicknell, for advocating for a scholarship on my behalf and the staff at the financial aid office for coming through with needed assistance for continuing at UMaine.

Growing up in the blue-collar mill town of Manchester, N.H. and having been raised in a large Catholic family, my parents could not afford college without scholarship assistance. Along with the fact that out-of-state tuition costs versus in-state tuition costs at UMaine were higher, my dream of becoming a certified athletic trainer would not have been fulfilled without financial assistance. I am eternally grateful to Bill Bryan who worked in the financial aid department in the 1970's, for challenging me to seek out scholarship funding sources that allowed a nontraditional physical education student to pursue a higher education. My eternal thanks to the forward thinking UMaine graduates of the past, that made it possible to receive the financial life line needed for me to come to this great land grant institution.

Having scholarship support enabled me to focus on my academic pursuits and to strive for excellence. The opportunity to focus on my research in chemistry helped me to develop my interests in science beyond the classroom experience. In the chemistry laboratory, our work analyzing compounds with nuclear magnetic resonance (NMR) led to my becoming aware of efforts to apply magnetic resonance technology in medical imaging where it became known as MRI, or magnetic resonance imaging.

Given my interests in medicine, this led to my focus on radiology, a specialty focused on diagnostic imaging and image-guided procedures, as a career choice.

It is a strange dichotomy and a shame that our careers need the education at the beginning when we can least afford it, and the money for an education comes later in our careers when we can least afford the time to invest in an education. The value of a college education from an acclaimed accredited university still retains the greatest return on investment that we can achieve during our careers. The scholarships that are made available to students are so essential; they were to me in 1985 and they remain so today.

College offers an unrivaled opportunity to develop foundational intellectual and occupational skills that will serve a person for the rest of his or her life. A successful university experience will mark the beginning of a life of personal and professional growth. Land grant universities like UMaine reflect a deep moral, legal and cultural tradition in our country of providing young people with opportunities that are not unfairly constrained by the economic circumstances of their parents. The University serves a critical role in assuring that excellent learning opportunities are within reach of all students. Scholarships make those opportunities even more prevalent. Thanks to a combination of in-state tuition and scholarship support, I was grateful to be able to make the transition from formal schooling to professional life without significant debt.

LETTER FROM
Board Chair & President

The future of the University of Maine Foundation for the next eighty years and beyond is filled with promise. Support is at a record-high, the economic forecast is in an upward projection and investments are doing well. As we end a year of celebration for the Foundation's 80th anniversary, we enter into the sesquicentennial year for the University of Maine.

With a new president, Dr. Susan J. Hunter, at the helm of the flagship university, current challenges are being faced with strong, strategic leadership.

In order for UMaine's administration to create an environment of highly regarded scholarship and research, they need resources.

Additionally, our role in providing student scholarship

funds is more important than ever. With state resources declining and educational costs rising, good students often find themselves out of reach of a college education.

In FY14, the Foundation recorded new outright and planned gifts totaling \$13,636,514. There were 2,616 gifts and 62 new endowment funds established. The Charles F. Allen Legacy Society is close to 600 members. The Foundation now holds 1,466 endowment funds. The endowment return in FY14 was 14% and total assets were \$219.6 million, a 13.5% increase over the previous year.

Last year's announcement of a celebratory 80th anniversary matching gift program resulted in over \$3 million in new gifts.

Current growth projections for the Foundation put assets at over \$300 million by 2022. Your support is what creates this vital trajectory for continued excellence at the University of Maine. As always our role is responsible stewardship, a role we take seriously for the donors, faculty, staff and students we serve.

Thank you for your generosity,

David M. Austin '90
Chair of the Board

Jeffery N. Mills, Ph.D. '82
President/CEO

Ways of Giving

Since 1934, the University of Maine Foundation's role in supporting the University of Maine has been perpetuated by many alumni and friends who, through their generosity, share a common interest in strengthening the teaching, research and service mission of Maine's land grant university.

The University of Maine Foundation specializes in planned gifts that include bequests, trusts and other life income plans. Planned giving is a unique philanthropic tool that allows one to support the University of Maine's continued excellence while also fulfilling one's own financial objectives. Planned gifts often have attractive tax benefits associated with them and can allow you to leave a legacy without diminishing assets during your lifetime.

A variety of assets can be used to establish a planned gift. From cash to real estate to tangible personal property, the Foundation staff is ready to assist you and your advisors to find the best fit for your personal circumstances.

Perhaps the most common form of a planned gift is through a bequest. If you wish to leave the University of Maine Foundation a bequest in your will or trust for a scholarship or some other purpose, you can amend your will or trust to reflect your wishes.

The following represents sample language for doing so.

"I give and bequeath to the University of Maine Foundation for the benefit of the University of Maine (possible choices below):

- *the sum of \$ _____; or*
- _____ *percent of my estate; or*
- *the property described herein _____*

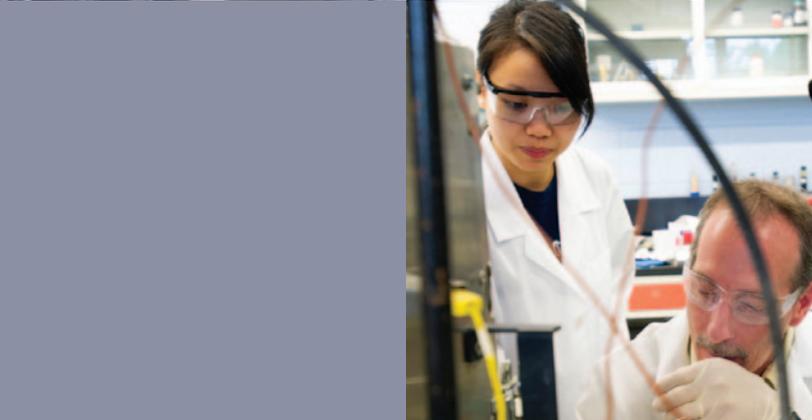

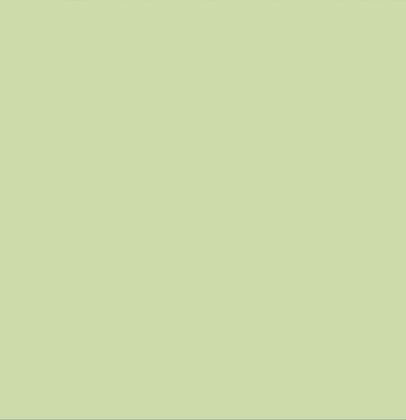

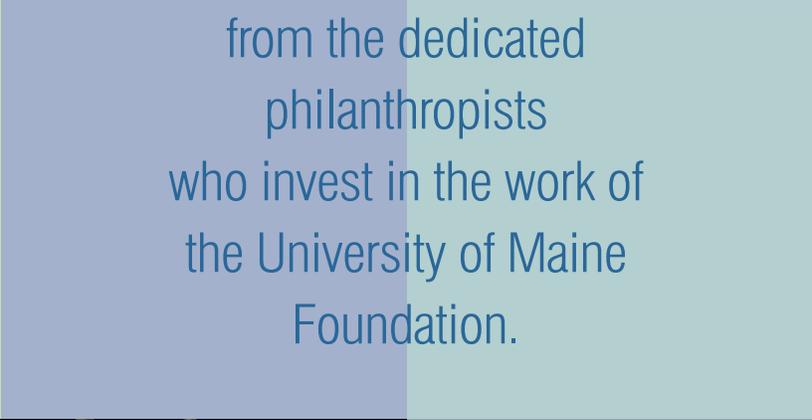

to establish (or benefit if already existing) the _____ Fund. The principal of said Fund is to be endowed and only the income earned on the principal shall be used to provide financial assistance."

For those individuals that have additional charitable interests outside the University of Maine, the Foundation can help you establish a donor-advised fund. This is a cost-effective alternative to a private family foundation and allows you to consolidate and manage all of your charitable giving.

A LEGACY OF 80 YEARS

The next 80 years hold many new and bright promises for those who benefit from the dedicated philanthropists who invest in the work of the University of Maine Foundation.

Areas of Support

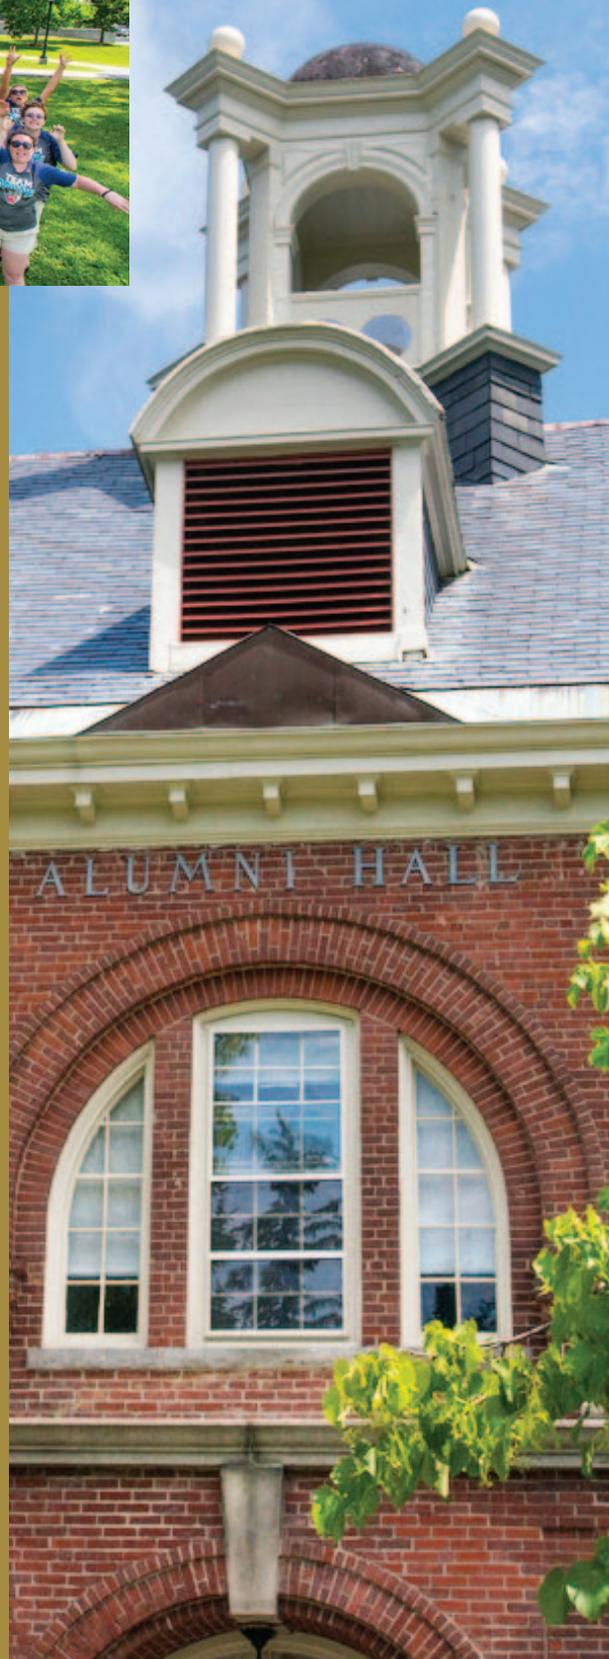

Spending Policy

Every foundation has a unique mission, culture and circumstance. Therefore, many elements contribute to our spending policy decision, especially our investment policy, asset allocation and inflation. Decisions about spending policies can have long lasting ramifications. It is important that our assets' growth be available for the future generations of our intended beneficiaries.

The Foundation's objective in managing its endowed funds is to generate an income stream for distribution to the University and provide for adequate growth in the endowments. To facilitate the achievement of these goals, the Foundation operates the General Endowment Fund on a total return basis, which focuses on the overall return of the investment portfolio including both investment income (interest and dividends) and capital appreciation (realized and unrealized). Under the total return method, an endowment spending rate of the invested assets is established versus only spending from interest and dividend income.

The Foundation's spending rate, as established by its Board of Directors, is 4.5% of the five-year average fair-market value (as of December 31) of the investment pool. To provide for the accumulation of earnings, only endowment funds that have been in the General Endowment at least one year will be eligible for spending.

In addition to endowment spending, the University of Maine Foundation supports its operations by charging annually an administrative fee that is 1.25% of the endowment fund. The fee is reviewed annually by the Board of Directors.

New Funds 2014

Charles E. and Helen Hauck Bartley Scholarship

This fund was established to support students who have graduated from a high school in Piscataquis County, Maine and will continue learning in the College of Engineering.

Bear Pairs Scholarship

Robert Fuehrer '57, '59G and Sharon Fuehrer '60 met while attending the University of Maine, and created this scholarship for other couples who did the same. Awards will be given first to descendants of “bear pairs”.

William “Brother Bill” Bodwell '50 Scholarship

Created in honor of Bill Bodwell's fond memories of being the 1950 UMaine marching band drum major, this scholarship will support members of the University Band who are from Maine.

Anne Brown Scholarship Fund

This fund was created by Dr. Myles Brown '56, in memory of his wife of 55 years, Anne Brown, and will support students who are majoring in nursing and who have graduated from a Maine high school.

Created as a tribute to Charlie Slavin, former Dean of the Honors College, after his death in 2012, this fund supports the building and upkeep of the terrace next to Colvin Hall that acts as an “outdoor classroom” and an informal gathering space for members of the Honors community.

Class of 2015 Scholarship

Donations from the University of Maine Class of 2015 created this fund to aid students who are in good academic standing and who are actively involved in on-campus organizations and volunteerism.

Norman E. Cobb Memorial Scholarship

Established by Gladys Cobb's estate, this scholarship will be awarded to deserving students from Belfast, Maine or Waldo County who matriculate at the University of Maine.

Mark H. Cohen '54 Fund

This fund is being established with memorial donations and a bequest to help support the University of Maine Alumni Association in memory of Mark Cohen, who passed away this year.

Dr. Dennis K. Cox University Singers Fund

This fund was established by alumni, family and friends to celebrate the retirement of Dr. Dennis Cox in order to provide unrestricted support to the University Singers, especially the group's spring tour and/or other outreach activities.

Eleanor C. '70, '72G and Harry K. Dann Scholarship

Created with a gift from their son, Michael H. Dann, this scholarship will provide financial assistance to a nontraditional student studying life sciences.

New Funds 2014

Denaco-Devino-Martin Award for Excellence in Alternative Dispute Resolution

This fund is intended to identify and educate students in the skills, methods, techniques and results achieved by using Alternative Dispute Resolution principles to solve disputes and disagreements in the public and private sectors, for large or small disputes, achieving access to justice and minimizing costs of collection/litigation.

Ivelin and Ralitza Dimitrov Scholarship

The intention of this fund is to provide scholarship assistance for students with academic promise at the Maine Business School at the University of Maine with preference given to international students.

Lora Margaret Donnell Fund

Amos '64 and Lola '69H Orcutt established this fund in loving memory of Amos' mother to support groups such as the cheerleaders, pep band, marching band or University Singers, that bring "pride, spirit and drive" to the University.

Emera Inc. Robert S. Briggs Engineering Scholarship

This fund was created with a gift from Emera upon the retirement of Robert S. Briggs from service as its director. The fund will support scholarships for students majoring in electrical engineering and/or who are pursuing careers in the power industry.

Gordon I. Erikson '43 and Dorothy B. Erikson '42 Family Scholarship

Dorothy Erikson created this scholarship for students, preferably from Mount Desert Island and/or Hancock County.

Hamalee Fitzgerald Scholarship

Lee Fitzgerald '59 established this fund for students with financial need who are graduates of Waterville or Winslow high school who are children of single parents.

Tamela Glenn Scholarship

This fund is intended to provide monetary assistance to those students who have overcome obstacles in their lives and who are majoring in art, theater, social work or music—in memory of Tamela Cozette Glenn '85, creator of the Theatre of the Silver Dragon.

Sandra E. Hardy Theatre Scholarship

Created by former students upon Sandra Hardy's retirement, this fund supports third-year students in the Division of Theatre and Dance and its productions at the University.

Arthur C. Hathaway Family Fund

This fund was created by Donna Libby Hathaway in loving memory of her husband, Arthur, who served 37 years in the Army and Army Reserves. It will aid in the repair, improvement and maintenance of buildings on the Orono campus.

Mary R. Hodes Student Loan Fund

Created from a bequest by Mary Hodes, this fund will provide student loans to State of Maine residents.

Honors College Legacy Fund

This fund will provide assistance to the Honors College through the sale and installation of personalized, commemorative bricks in Charlie's Terrace next to Colvin Hall.

Linda Marie Ilse Wildlife Ecology Scholarship

A bequest by Linda Marie Ilse '90 established this fund to provide financial support to undergraduate and graduate students involved in the study of wildlife ecology.

Sandy and Bobby Ives Fund

This fund was created by David Taylor and LeeEllen Friedland in recognition of the Ives' contributions to students. The fund will be used to provide financial assistance to full-time students engaging in ethnographic or oral history work in the Humanities Center.

MISSION STATEMENT

The University of Maine Foundation, acting as a separate organization,
will work collaboratively with all entities to encourage philanthropic support
by growing the endowment through planned/deferred giving
for the University of Maine and other charitable organizations
while carrying out the donors' wishes in perpetuity.
