

**First Gen Honors Opportunity Fund**

Lindsay Lawrence Videnieks '99 created this fund to make opportunities more financially accessible to first-generation Honors College students as a way to pay forward the assistance she received as an Honors College undergraduate.

**Coffin Family STEM Scholarship**

Donna R. Coffin '74, '76G made a gift to establish this fund which will provide financial assistance to University of Maine, Orono students with financial need who have graduated from Maine high schools and who are interested in pursuing studies in the areas of Science, Technology, Engineering or Mathematics (STEM).

**Donald B. Barter and Janet Beaulieu Barter Scholarship**

This scholarship, created by Donald Barter '68 and Janet Beaulieu Barter '69, offers assistance to students with financial need in the Maine Business School.

**School of Forest Resources/Wildlife Ecology Involvement Award Fund**

This Fund was established with a bequest from Norma Elisabeth (Beth) DeHaas '79 and provides financial assistance to UMaine, Orono seniors or juniors who have been involved in activities in support of the professional programs in the School of Forest Resources and Wildlife Ecology programs, and who would otherwise not receive an award.

**Denham S. Ward & Debra L. Lipscomb Scholarship**

This scholarship became an endowed fund with a bequest from the estate of Debra Lipscomb. Dr. Denham Ward '69 was an Honors program graduate. This scholarship supports first-generation honors college students.

**Jandreau-LaFlamme Scholarship**

Bruce LaFlamme '72 and Ann Jandreau LaFlamme '74 established this scholarship in memory of Ann's parents, Leon and Cora Jandreau, and Bruce's parents, Henry and Kathleen LaFlamme. The scholarship will support graduates of Maine high schools, especially those in Aroostook County, who are majoring in nursing.

**Donald W. and Margaret Mollison McIntosh Scholarship Fund**

A gift from Margaret Mollison McIntosh '50 established this scholarship fund which will provide assistance to University of Maine, Orono students who have demonstrated financial need. Preference will be given to graduates from York High School in Maine who are majoring in engineering or economics.

**Native American Cultural Sustainability Fund**

This gift from anonymous donors will support a full-time, continuing/tenure-track faculty position in Native American Programs.

**Richard and Sandra Upham Family Pre-Veterinary Scholarship**

Richard D. Upham '56 established this fund to support University of Maine, Orono students who are graduates of Maine High Schools and are Animal and Veterinary Sciences majors with a concentration in Pre-Veterinary Sciences with demonstrated financial need. Preference will be given to those from Maine's Kennebec and Somerset counties.

#### **Marr-Anderson Family Foundation Scholarship Fund**

This gift from the Marr-Anderson Family Foundation will support University of Maine, Orono first-year students with financial need who graduated from Maine high schools or preparatory schools. The Fund is intended to give out two awards each semester, one to an engineering major and one to a business major.

#### **John and Elaine (Willis) Morin Scholarship**

This fund was created by Elaine Willis Morin '75 and her husband John Morin in appreciation for the opportunities UMaine afforded to Elaine and John and her family members. The scholarship will support University of Maine, Orono students who are graduates of a Maine high school and show diligence in their academics by maintaining a GPA of at least 3.0.

#### **Beth M. Bond '72, '80G Scholarship**

Joseph Friedman established this scholarship in memory of his friend, Beth Bond, with a charitable gift annuity. The scholarship will provide assistance to graduates of Maine high schools majoring in education at the University of Maine, Orono.

#### **Richard A. Giesberg '48, '07H and Middie Cohen Giesberg '47, '07H Fund**

Friend of the Geisbergs, Joseph Friedman established this fund with a charitable gift annuity. Richard, a mechanical engineering major '48, and Middie, a sociology major '47 received awards for their social activism including an honorary doctorate from UMaine in 2007. The fund will provide assistance to the Honors College for use in their local community, nationally, or internationally to promote peace, social justice, and/or interfaith and cross-cultural understanding.

#### **Landry/French Construction Scholarship**

A gift from Landry/French Construction, a 100% employee-owned company, will provide financial assistance to University of Maine, Orono students majoring in Construction Engineering Technology.

#### **Stetson Street Scholarship**

Wallace G. Pinfold was a well-traveled anthropologist, author, and French language interpreter who held a special place in his heart for his house on Stetson Street in Brunswick, Maine. In his Last Will and Testament, he left a gift to create scholarships at the University of Maine.

#### **Conrad & Fran Griffin Collins Center for the Arts Fund**

A gift from the estate of Conrad and Fran Griffin will provide financial assistance to the Collins Center for the Arts. Conrad, Professor Emeritus of the Cooperative Extension, and Fran Griffin

'91, former employee of campus IT established this fund to reflect the special role they believe the Collins Center plays within the University of Maine and the community at large.

#### **Dale L. Jones '74 Physics and Astronomy Faculty Recruiting and Development Fund**

Dale L. Jones '74, who holds a B.S. in Engineering Physics, and his wife, Mary Ann Cooper, MD created this fund to support the hiring and retention of faculty in the Department of Physics and Astronomy.

#### **Elisha P. Gould '52 Excellence Fund**

Class of 1952 graduate, Elisha Gould, established the fund in honor of his friend Dana N. Humphrey, Ph.D., P.E. '44H, Dean of the College of Engineering, who retired in August 2022. The fund will provide financial support to the Department of Civil and Environmental Engineering in areas such as faculty support, graduate teaching assistants, and/or undergraduate laboratory equipment.

#### **Elisha P. Gould '52 Scholarship**

Class of 1952 graduate, Elisha Gould, established the fund in honor of his friend Dana N. Humphrey, Ph.D., P.E. '44H, Dean of the College of Engineering, who retired in August 2022. The fund will provide financial support to University of Maine, Orono students studying civil and environmental engineering.

#### **Agnes Ann Walsh '41 Scholarship Fund**
